

Dear Doctor,

Please find the program and the next 2 dates for Dr. Mark Bonner seminar 2018 sessions

Periodontal Health. A modern microbiological approach.

The seminar takes place in two sessions over 4 days (to do in its entirety).

Step 1 on 3 consecutive days: theory, practice, application and communication.

The course focuses on the treatment of infection and inflammation of periodontal disease using phase contrast microscope. Dr. Bonner will provide the technological means to recover complete periodontal health. The third day is to help you perfect communication with patients about periodontal disease, how and when to announce the disease and accompany him to the end of treatment. Synthesize treatment protocols and ensure the integration of various media received in during the course.

Step 2 Day 4: Patient Monitoring Day (6 months later)

Purely practical day to understand the problems encountered during therapy, find answers and solutions. Summary of treatment protocols and ensure the integration of various media received at previous courses. Study of patient records. Make sure you provide complete health to patients.

To encourage exchanges and active participation of each participant, their number is limited. Therefore, we recommend that you register early.

Total cost of training for 2018 English session Montreal is 4600 US Fund, tax included. For a dentist and 3 possible staff member (assistants, hygienist and secretary: 3 maximum). Possibility of payment on 3 consecutive months. Send the registration form with minimum deposit of 900 US Fund. Not refundable. Same rate if doctor comes alone. Second doctor same clinic \$3,600 US Fund.

To confirm your registration, please send us the list of participants, indicating their name and function within your office and your deposit by check payable to the order of: "Institut International de Parodontie" at the address shown below.

The precise locations and class schedules will be indicated later. Do not hesitate to contact us, we remain at your disposal for any information.
